BLACK ENTERPRISE helped me earn a master's degree from Howard University in Washington, D.C.

In studying the focus of **BLACK ENTERPRISE** magazine after the civil rights movement, **BE** assisted me in achieving a major academic goal. It has also provided information and resources for my business, **Speak2Society L.L.C.**, a professional speaking firm. By placing a premium on higher education and business ownership, **BE** has proved to be more than inspirational, it's been a workbook for success.
